*The year 2021 continued to be a very challenging year for all of us, not only in our personal and spiritual lives, but also across the entire world! Many people lost loved ones from the Corona virus. Senseless murders continued to take place and injustices toward people of color has been astronomical.*

*I am grateful that even during shutdowns, pandemics, declining economy, and a spirit of hopelessness and helplessness that has overshadowed our Nation, God has yet provided for His people!*

*We witnessed many changes, twists, and shifts in the way we live and interact with each other that truly turned our world upside down - never to be the same ever again!*

*OVL Foundation has achieved many milestones despite what is going on. We reached one decade and celebrated 10 years on November 10, 2021. Our new website launched! Our "Day of Love" on Saturday, February 13, 2021, was a great success as we partnered with the Partners of Abounding Love Bible Ministry and Warriors in the Word.*

*From that, we launched the Helping Hands Outreach! And continued to go out quarterly and serve the homeless encampments in the Berkeley area. We did a t-shirt & mask Fund-raiser to help with the cost of purchasing sleeping bags. Unfortunately, we did not reach our goal. But I am not one to easily give up!*

*I was chosen to do a radio interview on KDJA/KFAX that aired 12/18 & 12/25. This was a public introduction of OVL Foundation to the Bay Area and surrounding communities.*

*We've added a Community Resource page on our website that is growing by leaps and bounds. It consists of various links to services in the SF Bay Area and abroad.*

*Our board seats are filled, we are scheduled to continue our Quarterly Helping Hands Outreach in 2022, with our first one scheduled for:*

- January 29, 2022
- April 30, 2022
- July 30, 2022
- December 10, 2022

*Thank you for allowing me to share my heart with yours!*
